

General Information	
Features and benefits	19
<hr/>	
Technical information	
Low-voltage tubings and wraparound sleeves	20
Low-voltage molded parts	21
Sealants	22
<hr/>	
Tubings	
FCSM flame-retardant heavy-wall tubing for 1/C low-voltage power cable (1000 V)	23
WCSM heavy-wall standard tubing for 1/C low-voltage power cable (1000 V)	24
MWTM sealant-coated or uncoated medium-wall tubing (600 V)	26
RNF-100 thin-wall tubing	27
<hr/>	
Cold Applied Splices	
GelWrap closure	28
GILS 4/0 gel in-line splice	29
RVS Rayvolve "roll-on" splices for 1/C power cable (1000 V)	30
GelCap gel cover for stub splices	31
GelCap SL gel cover with connector for stub splices	32
<hr/>	
Wraparound tap	
GHFC-MW gel cover for use with AMP MINIWEDGE	33
GTAP gel tap splice kit with connector	34
GHFC H-frame gel closure for low-voltage power cable (1000 V)	35
CRSM-CT cable tap splices for 1/C low-voltage power cable (1000 V)	36
<hr/>	
Wraparound repair	
CRSM wraparound repair sleeves	37
MBSM wraparound jacket repair sleeve (to 35 kV)	38
MRS flame-retardant repair sleeve (2 kV)	39
CRPS cold repair strip	40
GelWrap closure	28
<hr/>	
Jacket sealing kits	
ESA heat-shrinkable elbow sealing adapters	41
RVS-SK Rayvolve "roll-on" concentric neutral jackets	42
<hr/>	
Molded parts	
CBR cable breakouts	43
CBR-NPB network protector boots	44
CFTS cabinet feedthrough seals	45
ESC end sealing caps for 1/C low-voltage power cable (1000 V)	46
<hr/>	
Miscellaneous products	
RDSS Rayflate duct sealing system	47
Sealants	49
ALK airport lighting splice kit	50
